

CONSULATE UPDATES

It's Japanese Festival season here in Queensland! There are festivals happening across Queensland, from Cairns all the way down to Brisbane. We are also delighted to bring Japan Week to Queensland again for 2024, including flagship events such as the Australia Japan Dinner and Japanese Cultural Day in the Mount Coot-tha Botanic Gardens.

July-August is also the season when many Japanese school groups visit Australia during their summer holidays. We'd like to wish a very warm welcome to all students visiting Queensland at this time, and thank all local staff, schools, homestay families, and others involved for their support in creating such opportunities.

Japan Week returns for 2024!

Join us for a huge range of great Japan events in August. Discover Japanese culture through local festivals and exhibitions, put your Japanese skills to the test, learn about the opportunities that exist for Japan careers, and celebrate Japan in Queensland with the Japan community. We can't wait to see you there! Check out the next page for further details.

JET Programme Farewell Reception

On 26 July, we farewelled 2024 JET Programme participants, who travelled to Japan to begin their new lives in Japan on Sunday. This year we have 21 ALTs and CIRs, 18 of whom are departing in July. We would like to wish them all the best!

State Government Political Briefing

A big thank you to former members of Queensland parliament Glen Elmes and the Hon John Mickel for a most insightful briefing on Queensland politics. They presented a very informative overview of the political situation in Queensland to members of the Japan Chamber of Commerce and Industry, Brisbane.
