

CONSULATE UPDATES

September has been a huge month for Japan related activities in Queensland, with the return of festivals such as Matsuri Brisbane in Brisbane and Japan and Friends Day on the Gold Coast bringing crowds to participate in and enjoy a huge range of Japanese culture.

Spring has most definitely sprung, and Consul-General Gomakubo has been taking advantage of the sunshine by visiting several regional Japanese gardens. He recently attended a celebration of Gladstone-Saiki Sister City relations in Gladstone, and visited Toowoomba for the opening of a new tea house in UniSQ's Japanese garden, where the cherry blossoms were just starting to bloom. We encourage you to seek out your local Japanese garden and enjoy the atmosphere!

Japan and Friends Day 2024

On 21 September, Japan & Friends Day was held in Broadbeach Cultural Precinct, Gold Coast. This year, a Japanese Mikoshi (portable Shrine) was showcased in public and the Consul-General also joined in as a shrine bearer, carrying it on his shoulders. It was great to see so many people enjoying Japanese cultural activities and food!
