

Notice of Easing of Counter Limitation in Light of COVID-19

Consulate-General of Japan

In order to prevent the spread of COVID-19 and to comply with the State Government rules and regulations, the number of staff members within our office was reduced on March 26th (Thursday) for which we thank you very much for your understanding.

As the State Government has since eased restrictions, all staff members cooperation and return to work to the consulate normally as of July 13th (Monday). However, since introduced on March 31st, measures listed below will still be implemented in the waiting room in order measures to prevent listed below COVID-19 infection.

It is expected that the wait time to enter our office will still be longer than before COVID-19 and we would like to ask for your understanding and co-operation again during these times.

- 1. Before entering the waiting room, please ensure that you wash your hands at the bathrooms located directly behind our main entrance. Please also use the hand sanitiser that is available in the security screening area.**

Additionally, your temperature will be checked at the security screening area (contactless) and should your temperature read higher than 37.5 degrees Celsius, you will not be permitted to enter our office.

If possible, please wear your own mask upon entering the waiting room of our office.

- 2. The maximum number of people who may enter the waiting room at one time has been increased to six (excluding families).**

Should there be seven or more wishing to enter the waiting room, your contact details will be taken down and you will be contacted when you may enter.

We apologise for any inconvenience caused and ask for your understanding and co-operation.

Thank you.
