

JASSO Survey for former exchange students to Japan

Dear former exchange students to Japan,

JASSO (Japan Student Services Organization) is conducting a survey for people who have studied abroad in Japan. It would be greatly appreciated if former exchange students are able to assist by completing the below survey.

Japanese: <https://www.online-system.jasso.go.jp/survey/allalumni/ja>

English: <https://www.online-system.jasso.go.jp/survey/allalumni/en>

This online survey is the first large scale project of its kind in Japan to investigate the experiences and attitudes of exchange students towards working in Japan during and after their time studying abroad. The survey will take approximately 5-8 minutes to complete.

Your valuable responses will be used to help promote opportunities for current and former exchange students in Japan and around the world. Thank you for your cooperation.

1. Target group

People who have studied abroad in Japan (not including students currently studying in Japan)

2. Language of survey

Japanese and English options available

3. Submission period

Wednesday 17 November – Sunday 19 December, 2021

4. Survey results

The results of the survey will be made available on the official website of the Japan Student Services Organization (JASSO) at a later date.
