

Diplomatic Bluebook 2020 is now available online

The Diplomatic Bluebook is an annual report on Japan's Foreign Policy and Activities published by the Ministry of Foreign Affairs of Japan. This year's Bluebook covers Japan's diplomatic activities throughout 2019, which was a huge "year of diplomacy" for Japan. A series of major international meetings and events took place throughout the year, including the G20 Osaka Summit, The Enthronement of His Majesty the Emperor and the beginning of the Reiwa Era, and the Seventh Tokyo International Conference on African Development (TICAD7). The impacts of COVID-19 have also been included despite the book's focus on 2019, reflecting the significant impact it has had on international affairs.
