

## Japanese Film Festival Classics

08 Jan 2021 – 27 Jan 2021 | GOMA

The Japanese Film Festival Classics begins in Brisbane on Friday, January 8!

Enjoy eight films from avant-garde Japanese auteurs for free in glorious 16mm and 35mm print form as part of QAGOMA's Cinémathèque. This year's theme is "Provocation and Disruption: Radical Japanese Filmmaking from the 1960s to the 2000s", and features an eclectic mix of films spanning 50 years of cinema history by such directors as OSHIMA Nagisa, OBAYASHI Nobuhiko, YOSHIDA Yoshihige, SUZUKI Seijun and TSUKAMOTO Shinya. This is a rare chance to see these films in their original format, so don't miss out!

Join us at GOMA from January 8 – 27. Entry is free with no reserved seating, so we recommend arriving early to secure a seat.
