

Yokohama Triennial 2020 Virtual Tour

The Organizing Committee for Yokohama Triennale is pleased to announce the launch of Yokohama Triennale 2020 Virtual Tour, a rich immersive online experience allowing viewers to explore Yokohama Triennale 2020 “Afterglow” (光の破片をつかまえる) on their PCs, tablets or smartphones.

The Yokohama Triennale 2020 Virtual Tour enables viewers to enter, move around inside and explore the many exhibits now on show in the Triennale’s three venues: Yokohama Museum of Art, PLOT 48, and NYK Maritime Museum. Users can even read wall texts and labels accompanying the exhibits, and the service is available in both English and Japanese.
