Japan Month has arrived! There are a huge range of great Japan events to enjoy in Queensland.

Japan Month is an annual event coordinated by the Consulate-General of Japan, Brisbane aimed at promoting Japanese cultural exchange. Local Japan-related organisations will be holding a variety of events, which will start with a bang with our annual Japan Cultural Day at the Mt Coot-Tha Botanic Gardens on Sunday 6 August. Visit our website for all the details!

Farewell to 2023 JET Participants

On 27 July we farewelled seven JETs departing from Brisbane to cities and towns all over Japan. Participants will spend at least a year sharing Australian culture and English while learning all about Japan. Applications for the 2024 JET programme will open in September this year.

Ageo City Visit to Queensland

The Consulate was delighted to welcome students from across Ageo City in July. 22 students from 11 junior high schools arrived in Australia to undertake a farm stay and visit the Lockyer Valley as part of a sister city agreement between Ageo city and Lockyer Valley Regional Council.

The JS Izumo arrives in Brisbane

We were delighted to welcome the largest ship of the Japanese Maritime Self Defence Force, the JS Izumo, to Brisbane in the lead up to Talisman Sabre. JMSDF hosted the Consul-General and guests from South East Queensland on board for a special luncheon and tour, highlighting their new flight deck.
