City of Moreton Bay Reception

Consul-General Ishikawa attended a reception hosted by the City of Moreton Bay with the Consulate's cooperation to promote the region to the Japanese business community. Moreton Bay's relationship with Japan goes back more than 30 years with its sister city relationship with Sanyo-Onoda in Yamaguchi Prefecture. Built on cultural and educational foundations, the relationship is strengthening on the back of building economic ties.

Visit to Ipswich

Consul-General Ishikawa had the pleasure of visiting Ipswich for the first time since his arrival in Brisbane. CG Ishikawa and Ipswich Mayor Teresa Harding spoke in depth about Japan-Ipswich ties, including the long-standing sister city relationship it shares with Nerima Ward in Tokyo. We look forward to the relationship between Japan and Queensland developing further on both people-to-people and economic levels.
