## Queensland Resources Council

Consul-General ISHIKAWA attended the Queensland Resources Council's annual State of the Sector Forum and Lunch on 26 November, gaining a deep insight into the current situation of the state's resources industry.

Japanese businesses have been long-term investors in Queensland's resources sector, and we look forward to the Sunshine State continuing to be a stable and secure investment destination well into the future.

## Brisbane Kobe Student Art Exchange exhibition

On 3 November, Consul-General ISHIKAWA and Mrs Ishikawa visited Brisbane Square Library to view the Brisbane Kobe Student Art Exchange exhibition, which features artwork created by students from Tanigami Elementary School in Kobe and Ironside State School in Brisbane. In a short time, the exhibition has received a wonderful reaction, and exhibitions of the works held in Kobe in September were also very well received.

The Consulate-General of Japan in Brisbane would like to thank AJS-QLD, Brisbane City Council, Kobe City, Ironside State School and Tanigami Elementary School for their efforts to realise this initiative in this, the 40th anniversary of the Brisbane Kobe sister city relationship. You can see the exhibition at Brisbane Square Library until 31 January 2026.
